EDUCATION

Chennai Institute of Technology

B.Tech in Computer Science and Business Systems (CGPA: 8.86)

Sept 2024 – May 2027

Chennai, Tamil Nadu

TECHNICAL SKILLS

Languages: Python, C++, Java, JavaScript, TypeScript, Swift, Deluge (Zoho)

Frontend: HTML, CSS, JavaScript, React, Next.js, Flutter, React Native, Figma

Backend: Node.js, Express, MongoDB, MySQL, Firebase, Django, Flask, Docker, SupaBase

Tools: VS Code, Turbo C++, Linux Terminal, Android Studio, Postman, SalesIQ, Zoho CRM, Metasploit

EXPERIENCE

Cisco Networking Academy

Networking Intern

May 2024 – July 2024

Remote

- Designed fault-tolerant network architectures with redundancy and load balancing.
- Optimized bandwidth using OSPF and BGP protocols.

Palo Alto Networks Internship

Cybersecurity Intern

July 2024 – Sept 2024

Remote

- Performed vulnerability assessments and enforced firewall policies.
- Utilized threat intelligence tools for real-time attack analysis.

Google Android Developer Internship

Android Developer

Oct 2024 – Dec 2024

Remote

- Developed Android applications with responsive UI/UX and optimized performance.

Research Internship (Offline)

Research Intern

Nov 2024 – Dec 2024

Chennai

- Published paper on ransomware detection using XGBoost, Random Forest, and Neural Networks.
- Conducted hybrid intrusion detection using CNN, LSTM, and SVM.

PROJECTS

Flight Booking App | Node.js, Express, MongoDB

- Built full-stack flight booking system with real-time search and secure login.

Hand Gesture Mouse Controller | Python, MediaPipe, PyAutoGUI

- Implemented virtual mouse using hand gestures for hands-free system control.

AI Blog Automation Tool | Python, Gemini API, Flask

- Automated blog generation and publishing using AI with SEO enhancements.

Scam Ad Detector Extension | Python, Selenium, ML

- Created a browser extension to detect scam ads using real-time ML algorithms.

CERTIFICATIONS & PLATFORMS

AWS Certified Cloud Practitioner

NPTEL: Cloud Computing, DBMS

Ethical Hacking Essentials – EC-Council

Google Cybersecurity Specialist – Coursera

LeetCode: 750+, Rank: 1789, Knight Badge

CodeChef: 250+, Rank: 1260

ACHIEVEMENTS & VOLUNTEERING

- Qualified – **Amazon HackOn 2024**, passed multiple coding and system design rounds.
- Finalist – **VLTUR 2024** by Greeks for Greeks.
- Semi-Finalist – **HackWithIndia 2025**.
- Event Coordinator – **Caseathon**, Zorphix Symposium 2024.
- Core Web Developer – Zorphix Symposium Organizing Team.
